## MOTION PICTURE NEWS

What the Picture Theaters Have to Tell You.

**Jealousy Wrecks Happiness of Home** in New Fox Film, Valeska Suratt Plays Heartless Woman.

A woman who marries a man she does not love, then deserts him for another, and is finally caught at her own game is the character played by Valeska Suratt in her newest picture for William Fox, "Jealousy." Miss Suratt has a role peculiarly fitted to her style of acting, and she goes through the part in a realistic emotional manner.

The photoplay, which will open at the Pastime theater for a two days run today tells how Anne Martin turns from her husband (Walter Law) to a former lover Roland Carney (Curtis Benton). In her attempts to lure him to herself she meets with ruin, and only succeeds in pulling him down to poverty and disgrace. Martin, who has learned of his wife's deceit, leaves her.

Will S. Davis directed this picture for Mr. Fox.

In addition to the above will be shown a Mutt and Jeff cartoon comedy and a clever George Ovey comedy making a big double show especially selected by Manager Matlock for your holiday entertainment.

**Louise Worthington Players** at the Alta Friday and Saturday.

Manager Cooper of the Alta theater, has secured the Louise Worthington Players to play an engagement at the Alta commencing Friday and Saturday. The play for Friday and Saturday will be a three act comedy, "Is Marriage a Failure?" This play ran over nine months in New York city, and over 20 nights in Chicago, and it is a big laugh from start to finish. We can guarantee our patrons a production such as is seen in any of the larger cities on the coast at popular prices. Adults, 25c, children 15c.

**Broadway's Famous Little Star "Ann Pennington"** at the Alta Friday and Saturday.

One of the most decided hits made on Broadway this season was the Hula Hula dance which Ann Pennington contributes to the "Ziegfeld Follies." This picturesque Hawaiian dance has been incorporated in the Famous Players-Paramount picture, "The Rainbow Princess" in which Miss Pennington is starred. In order to make the scene as realistic as possible, a Hawaiian village was erected which accompanies Miss Pennington on the stage was engaged to play for her during the filming of the dance for the screen. The mere fact that this is the most expensive Hawaiian orchestra in this country did not deter the producers from using the musicians, because it was felt that Miss Pennington would be more at home with the same accompaniment which she had had all season.

**Don't Fail to See Clara Kimball Young at the Temple Tonight.**

What is the big distinction between members of royal families and those of more humble birth? After all is there any real difference? Given the opportunity, cannot the son or daughter of a poor man acquire sufficient "polish" and bearing to enable them to hold their own with their so-called superiors?

Take Susan for an example. She comes from very poor but respectable parentage—yet as a model in the most exclusive establishment in New York city, she causes many society leaders to pattern after her carriage.

Also, Susan's parents for three generations at least, were all Americans. Yet society went mad over the countess who appeared at Mrs. Lockett's ball—no other than Susan of the modiste's obliging Mrs. Lockett by masquerading to replace the absent countess.

The play will furnish you more laughs and dramatic thrills than you have had in many a day. The title is "The Rise of Susan," and it is the attraction at the Temple theater for the last time tonight.

World pictures are pleased to announce this Clara Kimball Young subject as their most recent release.

In addition to this big feature there will be two acts of vaudeville.

Mr. Lloyd George is a magnetic person, doubtless because of the iron in his blood.

### WAR MAKES BRAVLESS MULE.

PARIS, Dec. 29.—The bravless mule is one of the scientific developments of the war. Large numbers of mules have been imported from America

for use at the front, but their habit of braying at inconvenient moments had to be remedied before they could be used to the best advantage. The veterinary experts were called

in and after a little experiment they discovered that a slight operation on the nostril had the desired effect. All the mules sent to the front are now made mute by this process.

### CRIME CAUSED BY "WET" BLOCK

Kansas Got Liquor Across Street in Kansas City, Mo.

KANSAS CITY, Mo., Dec. 29.—The "wettest" block in Kansas City, Mo., was blamed today by court officials for most of the crime committed just across the street in Kansas City, Kan. A series of cases in which whisky purchased on the Missouri side of State Line avenue played a part reached a climax today in the conviction of David Coffman for killing his mother-in-law, Mrs. Mary J. Barnes.

"I would like to sentence the bar-keeper that sold him the drink," declared Judge A. J. Herrod, when the verdict of guilty was returned. "In the few days that I have been on the bench I have found that virtually every case brought before me was caused by the 'wet block'."
